66	27720	Sleeping Tom (70 of 100)	Bronze Sculpture & Patina	36 x 26 x 13	\$1,980

Directors Comment

Aesthetically beautiful. David's female figures demand to be gazed at. His animals also appeal to our senses. The cat curled up in a corner, chin on paws and ears flattened, the stately pose of the fierce rhinoceros or the anxious kitten ready to pounce find a perfect balance between stylisation and realism. They are executed with an amazing technical precision. The mottled surface of the bronze dances with varying degrees of light and creates a textured surface on his smooth sculptures.
